

PP Saddles

Performance™ Series

Description

- PP Saddles for PE pressure piping applications.

Tube

- IPS (OD) • For use on HDPE Pipe SDR 7.3 - SDR 17. Sizes 1" - 6"
- For use on Sch 40 & Sch 80 PVC Pipe. Sizes 1" - 6"

Working pressure

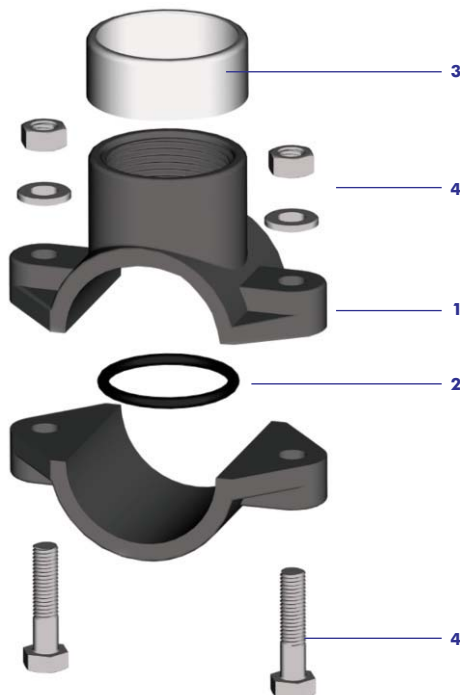

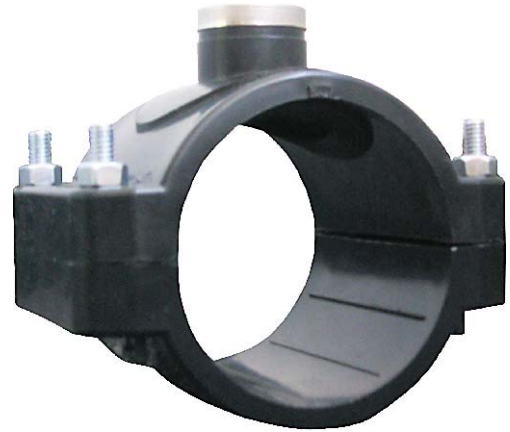

- Pressure rating: 200 PSI @ 73° F (23° C)

Features

- NPT outlets, ranging from 3/4" to 3" for select sizes.
- Stainless steel outlet reinforcement ring.
- Ribbed SBR O-Ring.
- Indented body mold holds gasket in place.
- Ribbed body.
- Molded hex socket for bolt head to facilitate fastener-tightening.
- Nuts & bolts available in 18-8 stainless steel.
- UV stabilized.
- ISO 9001 certified.

Applications

- Water distribution
- Reclaim water
- Industrial
- Leachate Collection
- Irrigation
- Many other uses

Parts

N°	Description	Material
1	Body	PP
2	O-Ring	SBR
3	Retainer Ring	Stainless Steel
4	Nuts / Bolts	Stainless Steel
